February 19, 2018

Supplier Partners:

Ferrara Candy Company continues to enhance the quality of the product being provided to our customers and ultimately consumers. In order to ensure this objective, Ferrara will be implementing a new remaining shelf life policy at goods receipt. Effective Monday, February 26, 2018, the policy outlines that Ferrara will only receive a product with a minimum remaining shelf life of 70%. Any product that is lower than this value will be rejected and returned to supplier at suppliers' expense.

The calculation of this metric is as follows:

Remaining Shelf Life at Goods Receipt / Total Shelf Life of Food Item on manufacturing date = 70%

If there are any questions about this initiative, please contact Supplier.Quality@ferrarausa.com

Best Regards,
